REGULATIONS AND ACTS,

PASSED BY THE

GOVERNOR GENERAL OF INDIA IN COUNCIL,

BY JAMES SMALL,

AUTHOR OF "MERCANTILE TABLES."

PART FIRST;

BEING

AN INDEX TO THE REGULATIONS FOR THE WHOLE OF THE TERRITORIES UNDER THE PRESIDENCY OF

FORT WILLIAM IN BENGAL,

PUBLISHED BY MESSRS. R. C. LEPAGE AND CO., BRITISH LIBRARY.

ADVERTISEMENT.

The late Mr. Dale's Index to the Regulations of Government extends to the close of the year 1827; and the present work is in continuation, and on the same plan. It was originally my intention to have framed one Index, to embrace the whole period of Twenty-one years, from 1828 to 1848; but, for reasons which will readily suggest themselves, it appeared preferable to separate the Acts from the Regulations. The portion of my work, therefore, which now issues from the press, is confined to the Regulations; and the Second Part, which will appear in a few months, will be devoted to the Acts. With regard to my starting point, it may be necessary to explain that although the Editor's preface to Mr. Dale's Index (which was a posthumous work) affirms that it "will enable a person consulting it to ascertain the state of the law at the end of the year 1830," it does not contain, in the alphabetical portion, a single reference to any enactment of more recent date than 1827; whilst, in the Appendix, which professes to be a notice of alterations made during the succeeding three years, there is no allusion to any of the first six Regulations of 1828, of which one at all events is very important and voluminous. The object of this remark is merely to prevent the supposition that I have anywhere travelled over beaten ground.

J. S.

Barrackpore,
28th February, 1849.

MEMORANDA.

"R. P." placed immediately to the left of the year column, in some of the references to Regulation III. 1828, signifies that the figures in the Section column refer to the Rules of Practice appended to the Regulation, and not to the Sections of the Regulation itself.

"Schod. A," or "Sched. B," in the same position as above, indicates in like manner, that the figures in the Section column refer to one or other of the Schedules annexed to Regulation X. 1829.
